MINISTRY OF JAL SHAKTI & MINISTRY OF AGRICULTURE
PRADHAN MANTRI KRISHI SINCHAYEE YOJANA (PMKSY) GUIDELINES

1. VISION & OBJECTIVE:
PMKSY has been formulated with the vision of extending the coverage of irrigation 'Har Khet Ko Pani' and improving water use efficiency 'More Crop Per Drop' in a focused manner with end-to-end solutions on source creation, distribution, management, field application and extension activities.

2. MAJOR COMPONENTS:
a) Accelerated Irrigation Benefit Programme (AIBP): Focus on faster completion of ongoing Major and Medium Irrigation including National Projects.
b) Har Khet Ko Pani (HKKP): Creation of new water sources through minor irrigation; repair, restoration and renovation of water bodies; command area development; and ground water development.
c) Per Drop More Crop (PDMC): Precision water application through micro-irrigation systems (Drip and Sprinkler irrigation), promoting efficient water conveyance and water harvesting structures.
d) Watershed Development: Effective management of runoff water, soil and moisture conservation activities like ridge area treatment, drainage line treatment, check dams, and farm ponds.

3. FINANCIAL ASSISTANCE UNDER PER DROP MORE CROP (PDMC):
- Small & Marginal Farmers: 55% financial assistance for installing Drip and Sprinkler systems.
- Other Farmers: 45% financial assistance for installing micro-irrigation systems.
- Additional top-up subsidies provided by several state governments.

4. IMPLEMENTATION ARCHITECTURE:
- State Level Sanctioning Committee (SLSC) chaired by Chief Secretary approves District Irrigation Plans (DIPs).
- Direct Benefit Transfer of subsidy directly to registered micro-irrigation equipment manufacturers or beneficiary accounts upon GPS-tagged field verification.
